*ALASKA'S BLUEGRASS IS COMIN' TO BRANSON!*

*The Walker Family, also known as The Redhead Express, are bringing their own style of high-end bluegrass, acoustic and old-timey music to the Branson Strip. This family of nine will soon be heading to Branson from their home state of Alaska.*

*Having participated in Silver Dollar City's Single Mic Championship just a week ago, Apryll, Brett, Kendra, LaRae, Alisa, Meghan, Sean, Joseph, and Ammon will open up two brand new shows at the Circle B Chuckwagon Theater (turn north at the Branson Variety Theater, across from the Grand Palace and you can't miss it).*

*With a focus on family harmonies, great musicianship and authenticity, this is just the kind of show Branson's been waiting for. They'll begin on June 16th with an 11:30AM lunch show and an 8PM evening show, Monday through Saturday. Be sure to make them welcome.*

*They've come a long way to get here!*
